Experience

Graphic Designer, Web Developer & Strategist

Freelance | July 2023 - Present

SEO & Digital Strategy

- Designed end-to-end site architecture, technical SEO, and local search strategies for clients in cybersecurity, tourism, and education.
- Generated measurable growth: drove 1/4 of total keyword traffic as clicks in month 1, reached Top 4 search rankings in 30 days, and maintained 100% SEO audit scores.

Brand & Visual Design

- Created tailored brand identities, print media, and custom web designs using Figma, Illustrator, and InDesign.
- Prioritized inclusive design, achieving >95% web accessibility compliance across all client assets.

Custom Development

- Built custom e-commerce platforms featuring gated video courses (13+ modules), automated billing via Netopia, and booking engines.
- Delivered high-performance websites achieving >97 Lighthouse scores in Page Speed and Best Practices.

Web and Brand Designer

Arnia Software Bucharest | December 2019 - July 2023

UI & UX design: Designed over 15 responsive websites and web applications (job engines, NGO platforms, intranet portals, e-commerce) tailored to client needs through user research, wireframing, and high-fidelity prototyping.

Brand Strategy & Identity: Redefined visual identities for 10+ clients, delivering comprehensive brand books, logos, typography systems, iconography, and print collateral.

Design Quality & Collaboration: Conducted heuristic evaluations, competitor analyses, and peer design reviews to elevate team design quality in an Agile/Scrum environment.

Content Creation: Researched and authored technical and design articles for the agency's official blog.

Front-end Developer

Contentspeed Bucharest | October 2017 - July 2018

- Developed front-end solutions for the company website and e-commerce clients, including Sephora.

Wordpress Front-end Developer

Endouble and Mobgen Amsterdam | January 2015 - May 2017

- Developed the front-end for recruiting websites in Benelux for companies such as Bol, Eneco, Sandd, Driscolls, Amc, Vumc or Booking. Worked in Agile method (Scrum)
- Development and support of diverse websites such as an anonymous crime reporting site, the company's website and an artistic project. Worked in Agile method (Scrum)

Graphic Designer

Stichting Leerorkest Amsterdam | January 2014 - August 2015

- Created editorial design (in Word, Illustrator and Indesign) for a Dutch Foundation that teaches music to children from disadvantaged families

Teaching

Graphic Design Teacher

Titu Maiorescu University Bucharest | March - June 2019

- Taught foundational graphic design classes and workshops to second-year students in the Communication and Public Relations bachelor's program. Inspired one assistant to pursue design and begin teaching it.

Teacher of Adobe Photoshop

IP Workshop | July 2012

- I taught Adobe Photoshop to pupils aged 7 to 18 during a summer school organized by The Polytechnic University in Bucharest.

UI/UX & Web Designer with 8+ years of experience crafting high-converting, user-centered digital experiences backed by marketing strategy and WordPress development.

Education

Vrije Universiteit Amsterdam

MFA Arts and Media Studies | 2013 - 2014

- Thesis on UI design
- Studied under full academic scholarship.

National University of Art, Bucharest

BFA Art History and Theory | 2006 - 2009

- Scholarship recipient
